GRANITE RAMP

Finally, Monterey has a ramp again! Located in the suburbs of Pacific Grove. Granite Ramp was suppose to be 12ft. wide, but lack of space and wood made it not possible. For now, it's 8ft. wide, and 10ft. high, by 13ft. high, w/24ft. of flat bottom. Skinny but Rad! In the future a full on contest is being planned with a Ramp jam format in mind. Granite Ramp is private, if you'de like to skate, notify, Darrin at 373-4257 or the skate shop.

Recruiting!

Monterey needs girl skaters! Instead of
sitting around and watching, let's get out and
do it. There are about 3 or 4 girls in this
town with skates and we need more of us to
get things going! So get down to the skate
shop and get one! And be a shreddin' betty!
See ya out there!

JERRY's KIDS" will be taking a break

until they can find a Guitarist to take CHRIS's place. Now that he has left for Good, CHRIS is now looking to get "GANG GREEN" together again for a couple of shows to promote there record which was recorded some time ago but is just now being released due to \$ problems, it should be out in a few months. SSD's new release "ON THE ROAD" should be out anyday.

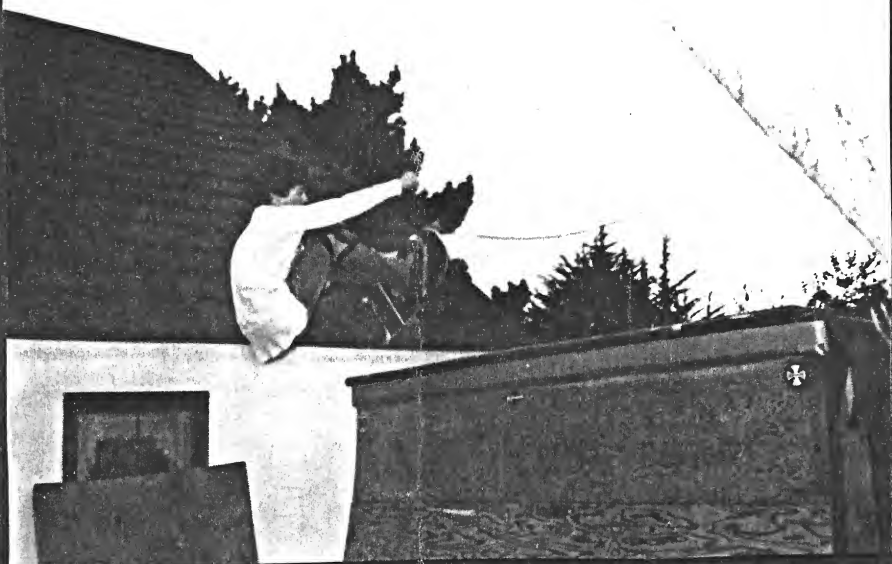

D.Y.S are still together despite a lot of controversy between members in the band.

F.U.'s will be recording this month and have ton's of new material. from western mass , comes one of the hottest new bands.. "THE OUTPATIENT"s who recently did a show to promote there record. Other than that, lack of shows and clubs has made it very boring lately. Not much has been happening here.

LOCAL UPDATE

BIOHAZARD

The most recent show BIOHAZARD played was in January with the Dead Kennedys and T.S.O.L. It turned out a pretty big crowd and was really fun. Our next show scheduled is with the Circle Jerks in Santa Cruz sometime this March, watch for it. The second BIOHAZARD demo tape is out with much better sound quality than the last tape. We are also planning on going in for some more recording in the near future. It is quite possible that we may be working in a new drummer soon. If you would like a tape (\$2.50), or just want some information, write me- Aaron Thomas 847 -- 17 Mile Dr. Pacific Grove, CA 93950*****
